

EAST AFRICA GAME LODGES

KENYA offers abundant travel options from mountains and deserts, colourful tribal culture, beaches and coral reefs, and some of Africa's best wildlife attractions and Kenya is often referred to as Africa in microcosm.

TANZANIA Serengeti, Ngorongoro, Kilimanjaro, Zanzibar... all packed into one country. Resonating with hints of the wild and exotic, these destinations alone are reason enough to justify packing your bag and heading on a life changing getaway.

THE SERENGETI

The Serengeti hosts the largest terrestrial mammal migration in the world, which helps secure it as one of the seven natural wonders of Africa, one of the ten natural travel wonders of the world.

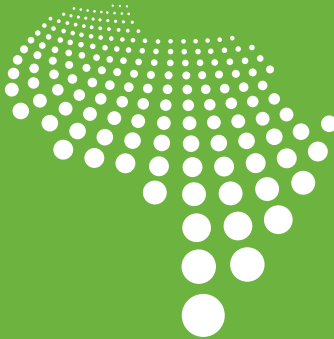

MAASAI MARA NATIONAL RESERVE

Is named in honor of the Maasai people (the ancestral inhabitants of the area) and their description of the area when looked at from afar: "Mara," which is Maa (Maasai language) for "spotted," an apt description for the circles of trees, scrub, savanna, and cloud shadows that mark the area.

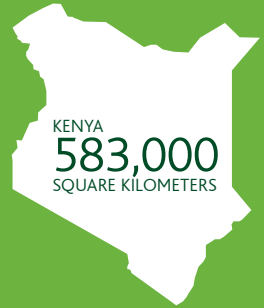

EAST AFRICA

East Africa is the site of Mount Kilimanjaro and Mount Kenya, the two tallest peaks in Africa. It also includes the world's second largest freshwater lake Lake Victoria, and the world's second deepest lake Lake Tanganyika.
