

Best Value for Money in the World Incentives to South Africa

The South African Rand exchange value is currently offering extraordinary opportunities for international travellers visiting South Africa.

Wine Price Comparison

In a good South African restaurant, a bottle of wine would cost the equivalent of approximately EUR 13,75. In Brussels the same wine would set you back almost twice as much.

Big Mac Index

If we look at the Big Mac Index for example, a Big Mac Burger in South Africa costs ZAR 40,00 (equivalent to EUR 2,20).

Increase in value of the EUR to the South African Rand
