STANLEY & LIVINGSTONE

BOUTIQUE HOTEL

Stanley & Livingstone brings a touch of luxury to the Victoria Falls Private Game Reserve, home of the Big Five. Set amidst this incredible natural beauty, and just a 15-minute drive from the Falls and the vibrant town, our 16 Suite Boutique Hotel offers a seamless blend of comfort and adventure. The hotel's design takes a fresh and easy-going approach to colonial style, which encourages guests to settle in and relax. Thoughtful comforts, attentive service, and excellent food enhance the experience by ensuring they are well taken care of – a hallmark of Stanley & Livingstone.

Guests are accommodated in 16 luxury Suites, privately set amongst the hotel gardens. Each is elegantly appointed, no one better than the last, with a canopied king-size bed, minibar, slipper bath and walk-in shower, TV lounge, and terrace – for morning coffees and private dinners.

The Palm River Hotel opened in December 2021 and is located upstream from the Victoria Falls, on the banks of Zambezi River, about 3 miles (less than a 10-minute drive) from the entrance of the Victoria Falls.

The Palm River fits confidently and comfortably into the upmarket range of hotels in the Falls, with various rooming options from deluxe and executive rooms and suites. All offer expansive views of the riverside garden from the bedroom balcony, allowing guests to feel up close and personal with the mighty Zambezi River.

The Palm River Hotel has been inspired by the architectural style of the Queensland, distinct in its savvy use of timber and corrugated iron and its consideration of climatic conditions. The innovative blend of traditional East-Coast Australian design and the unique landscape of the upper Zambezi River has resulted in a brand new and distinctive landmark for Victoria Falls.
